

## **I'm not like everyone**

I'm not like everyone  
Even I can't be  
I always want to be someone  
Something unique I can see.

I know what is the truth  
And I'm always aware of my root.  
I don't want to deny for what I am  
Because I know what I can become.

I know what I'm doing  
Valuable are those whatever it can bring.  
I want to be the only deal of my life  
As it's mine I've the right to choose how to be alive.

I may not be the perfect one to deal  
Though I will be always straight  
My words may not be good to heal  
But they can fill your life with a feel of heat.

I may not fill you with love  
But my experience will range your value above  
Being lovely will not be a deal of mine  
As it may not help me to shine.

I will like to choose my way alone  
However it comes soft or made of thorn!  
I'll not choose the way of everyone  
As I'm ready to sacrifice to be unique, to be someone.
